## EXPERIENCE

### Front end developer

February 2023 - Today | OUAT! Brussels

- Collaborated with a development team to design and implement innovative software solutions for the life sciences industry.
- Effectively utilized the Storybook UI library to develop and test UI components in isolation, ensuring high consistency and quality.
- Utilized project management tools such as Jira, Azure, and Confluence to track tasks, collaborate with the team, and monitor project progress.

### Administrative manager and coordinator

May 2021 - November 2021 | Administration of Schaerbeek  
Administrative manager and coordinator ILHO project  
(Investigation Logement)
