

# YOUSRA LEMQADDEM

JUNIOR FRONT END DEVELOPER \*

CREATIVE FRONT-END DEVELOPER  
MOTIVATED TO COMBINE THE ART  
OF DESIGN WITH THE ART OF  
PROGRAMMING.

## EXPERIENCE

### FRONT END DEVELOPER

03/2023 - 08/2024

- Collaborated with a development team to design and implement innovative software solutions for the life sciences industry.
- Demonstrated expertise in React development, contributing to the creation of user-friendly and high-performing features for web applications.
- Effectively utilized the Storybook UI library to develop and test UI components in isolation, ensuring high consistency and quality.
- Responsible for updating and maintaining the UI library, implementing new features and enhancements to meet evolving project requirements.
- Utilized project management tools such as Jira, Azure, and Confluence to track tasks, collaborate with the team, and monitor project progress.

HAKOBIO, OUAT!, BRUSSELS
